Located 10 minutes West of Yankton on Hwy-52, which is 8th Street leaving Yankton, we are in the heart of the action! Just follow the signs for Lewis & Clark Lake and you are almost there.

Coming from Yankton, stay on 8th Street west, which will turn into Hwy-52. Drive for about 4 miles, past the Yamaha and Kawasaki dealers, the Dam and the Marina. Once you are passing the Marina, keep going for one more mile, 434th Avenue will be on the right hand side, north side, of the road. It is a gravel road, drive up the hill for about 500 yards, and our log cabin is on the left hand side, west side of the road.
